Xtrade is responsible for the financial services it provides to you under its Australian Financial Services Licence and does not act on behalf of any other financial services licensee.

Xtrade is considered a market maker, not an agent, when dealing in over-the-counter derivatives such as Contracts for Difference. Accordingly, Xtrade acts as principal in all transactions with you in respect of these specific financial products.

12. Remuneration, commission & benefits expected to be received by Xtrade for provision of our financial services

Xtrade does not charge fees or commissions on transactions.

Xtrade earns its income from the business spread (or margin) that we apply to our products. This is the difference between the rate at which we buy and sell the financial instruments (i.e. between the wholesale price achieved by Xtrade and your trade price). This spread is incorporated into the rates quoted to

you and is not an additional charge or fee payable by you. These spreads will differ depending on the contracts traded.

“Premium” Interest may also be earned or paid (“rollover interest”) on positions held overnight, which is then credited/debited by the next business day. Clients may also incur failure fees on failed transactions or interest charges on outstanding payments.

Accounts which have not had a deposit, withdrawal, open position or trade for a period of 3 months may be subject to an inactivity fee. Failure to deposit, withdrawal or trade on the account for a period of 12 months may subject the account to a dormant account fee.

As of the date of issue of this FSG, the monthly inactivity fee is USD \$10 per calendar month. The dormant account fee is USD \$60 per calendar month.

We may charge you a fee for accepting a credit card payment from you. This will be a percentage of the face value of the payment, as displayed on our website from time to time, and will be deducted immediately when the transaction occurs.

Please refer to our Product Disclosure Statement for further details regarding all fees and charges.

Additionally, please refer to our website for the latest information on fees and charges. It is your responsibility to frequently visit the website to review any changes to the fees and charges.

Representatives of Xtrade who provide you with general advice or transaction execution may receive commissions or other remuneration for the provision of these services. Our employees may also receive salaries, performance bonuses and other benefits from us.

We may also pay commissions and referral fees to third parties who refer clients to us. Such payments do not impact the costs of our products or services to you.

13. Disclosure of any relevant conflicts of interest

Subject to disclosures in any Product Disclosure Statement or other transaction documents, we do not have any relationships or associations which might influence us in providing you with our services.

14. Dispute Resolution
